Before MURPHY, COLLOTON, and SHEPHERD, Circuit Judges.

PER CURIAM.

Eldon Bugg appeals following the district court's¹ denial of his motion to remand, his motion to disqualify the district court under 28 U.S.C. § 455, and the district court's adverse grant of summary judgment in his diversity action against Washington Mutual Bank, F.A.², which had been removed from Missouri state court.

¹The Honorable Scott O. Wright, United States District Judge for the Western District of Missouri.

²After the Federal Deposit Insurance Corporation (FDIC) became the duly appointed administrator for the bank, the FDIC was substituted as the real party in interest.

For the reasons stated by the district court, we affirm. See 8th Cir. R. 47B. We also deny appellee's motion for sanctions.
